KOLT FACULTY SERVICES

FACULTY DEVELOPMENT AND SUPPORT

1

NEW FACULTY TRAINING PROGRAM

KOLT provides distinctive program designed specifically to support new faculty members and make them familiar with KU teaching and learning environment.

The program includes

- (A)synchronous workshops & seminars
- One-on-one consultation sessions
- Classroom observations
- Discussion boards
- Learning communities
- Relevant resources and other professional development activities.

2

WORKSHOPS & SEMINARS

KOLT organizes faculty workshops and seminars aimed at enhancing the professional development of academic staff by providing faculty members with opportunities for collaborative learning, the exchange of best practices, and the exploration of innovative teaching methods and research techniques.

3

ONE-ON-ONE CONSULTATIONS

KOLT holds one-on-one consultations for

- Effective course design
- Preparing a syllabus
- Planning and conducting effective lectures
- Assessment strategies
- Promoting student engagement and
- Reviewing course materials and exams

4

TEACHING IMPROVEMENT GRANTS (TIG)

KOLT TIGs support the idea of innovative teaching activities, collaboration as well as to support the advancement of teaching and learning initiatives, research and innovation. Koç University faculty members or instructors are eligible to apply for this grant program.

KOLT FACULTY SERVICES

5 CLASSROOM OBSERVATIONS

Getting feedback through class observation is a widely used pedagogical tool for improving day-to-day teaching. KOLT can help instructors get observation feedback through class visits.

6 WIDE RANGE OF RESOURCES

KOLT provides wide range of resources for faculty members, including books, teaching materials, professional development workshop videos & recordings, teaching tipsheets, reflections, discussion boards, podcasts and etc. through its learning management system, Blackboard Kolt Faculty page.

7 MID-SEMESTER COURSE EVALUATION

KOLT helps faculty members and instructors to gather feedback via mid-semester student evaluation process on demand. After the evaluation, faculty members can discuss their results with KOLT staff.

8 FACULTY LEARNING COMMUNITIES

Faculty Learning Community (FLC) is a peer-led group of faculty members who engage in an active, collaborative, year or semester long program, structured to provide encouragement, support, and reflection.

KOLT invites faculty members to form KOLT Faculty Learning Communities to enhance teaching and learning through increasing faculty collaboration across disciplines.

FACULTY DEVELOPMENT AND SUPPORT

KOLT 500 & KOLT 600

KOLT 500 & KOLT 600 Teaching in Higher Education Courses are the required courses for all graduate students. These courses aim to improve new coming students' knowledge and skills in higher education teaching and learning.
